Dear brothers and sisters,

Peace be to you.

The heavenly peace is the most precious gift to the world in God's salvation through the birth of Jesus Christ. As the children of God, our sins were forgiven, and we became members of the church of God. It is suitable and beneficial, then, to celebrate, to praise, and to give thanks particularly during the Christmas season.

Having been under the unfailing grace and faithfulness, ever since her birth, Glory Chinese Baptist Church has grown into a sizeable congregation and witnessed the process of a successful church building project. We uphold that this is the work of the mighty God. Our financial situation was tighter then before after we moved to the new church building. We the guidance of God, however, we have gone through the first year smoothly. God is the Ruler of all and he is not in need of anything. Nevertheless, we as the citizen of the kingdom of God have to fulfill our financial responsibilities of supporting the church's ministries. Listed below are the items the church needs support, please remember them in your prayer.

1. Church building loan: \$530,000.00.
